

International Forum on Armenian Architecture

The Ministry of Diaspora of the Republic of Armenia is launching an International Forum on Armenian Architecture to be held in Yerevan, Armenia from April 21-23, 2009.

The conference is aimed at uniting the potential of Armenian architects and using it to expose the issues facing architecture in Armenia, as well as drafting and implementing necessary projects in order to have Armenian architectural thought correspond to the international level.

It is also foreseen to create a Pan-Armenian network and Pan-Armenian commission for architects.

All interested individuals should contact the Ministry of Diaspora of the Republic of Armenia no later than February 15, 2009:

Address: 26/1 Vazgen Sargsyan St.,
